Notes from the boss.....

None of our players should need me to motivate them as they prepare for this afternoon's game. A quick flashback to the game at Scarborough in August should be all that is required to fire everyone up.

Right now as I write these notes I am thinking about the fury I was in at half time and after the final whistle after watching our display that afternoon. I lashed out at my players on that occasion in a way that I hoped I would never have to do again.

If I am in management for another 50 years I hope I never have to experience anything like that again.

A lot of water has gone under the bridge since that afternoon at Scarborough and we go into the New Year still involved in all the competitions the League, the FA Cup and the Freight Rover Trophy. I can't take that away from the players. They have let themselves down at times but they have al-

ways worked hard and I'd say we have a lot to look forward to in 1988.

Looking at the Festive programme, it makes you realise the benefits of a sizeable squad. This is the time of year when suspensions and injuries can really take their toll on clubs who carry slim playing squads. There are going to be teams who will miss their key players and that, sooner or later in the season, could be a telling factor in deciding who is smiling and who isn't when we get to May.

Hopefully we will come through relatively unscathed and be in good shape to get another good run of results going in 1988.

SCARBOROUGH

The GM Vauxhall Conference Champions have shocked everybody this season with their sudden rise to fame and League status—everybody that is except their wily manager, Neil Warnock. It was Warnock who, at the Professional Footballers Association awards, suggested to Clive Allen that the Yorkshire coast was good for rehabilitation should the goals dry up. Scarborough have had few problems scoring goals in a brilliant late run when they went 24 matches without defeat.

Warnock completely reshaped the team by bringing in seventeen new players. At one stage, Scarborough had

actually been tipped to go down, but the club does think big—during the season it opened a new members' club costing £125,000. Scarborough own its own ground which is said to be worth a million pounds. The club's best-known player is their captain Cec Podd, who played a record 502 League games for Bradford City.

The resort of Scarborough is well pleased with the club's new status. It is worth about a million pounds in free advertising. The gates during the season were often higher than some in the Third and Fourth Divisions. The ground can hold 10,000.

VISITORS PEN FILE

STEVE RICHARDS—Defender. Another of Neil Warnock's signings, he had made more than 100 Football League appearances with Hull City, York City and Lincoln City. A native of Dundee, he made 40 appearances for the Boro' last season, scoring twice.

IAN BENNYWORTH—Defender. Came to the Boro' in the summer of 1986 from Nuneaton Borough, after experience with Hull City. Made 49 appearances last season and scored 4 goals.

MATCH REPORT

THE PICTURE TO DATE

There's an old football cliché that suggests the team at the top at Christmas usually finish the season as Champions.

Looking back over the season to date, in Division 1 Liverpool started the campaign somewhat depleted with Ian Rush having joined Juventus and everyone asked "Who's going to score the goals?" But cunning Kenny Dalglish had invested a few million in John Barnes, Peter Beardsley and John Aldridge—the 'Rushie' look alike. New look Liverpool soon established themselves and the goals kept on coming. Of course there are sure to be a few upsets over the heavy festive period throughout the leagues but the Merseyside aristocrats are there again having toppled Q.P.R. who had picked up 22 points from their first nine outings.

In Division 2 Bradford City set off at a respectable pace and at one stage in October were sitting pretty, six points clear. Then ever improving Manchester City went to Valley Parade and won by a 4-2 scoreline and this must have rattled the leaders who seemed to suffer a bad spell. Middlesbrough quickly seized their opportunity to take over.

In Division 3 the Number One spot was up for grabs early season but the more games played and the more Sunderland forged to the front, but a few teams are queueing up in anticipation of the fatal slip.

Important to ourselves is the situation in Division 4. For the first time in the history of the Football League we lost Lincoln City who have to fight their way back to League status. Their place was taken by today's visitors. Scarborough's opening game was against the once famous Wolves outfit and the newcomers soon set the pace in Division 4 and were leading the pack come November, after some jostling took place from the start. It was a topsy turvy affair between Exeter, then Torquay, then Leyton Orient and now Wolves, and even now it's anybody's guess.

Maybe the heavy seasonal programme will have seen a few surprise results by today, but there's still a long way to go and a possible backlog in fixtures with wintry conditions could depend on individual Club strengths in depth.

My money is on Bolton to be playing a higher grade next term but will Newport survive, or will Lincoln regain their status in the Football League?

Only time will tell.

GUEST SPOT

ROGER HUNT
Bolton Wanderers 1969-71

Today's guest was once a famous household name and he will go down in football history as a member of the victorious 1966 World Cup winning team. Yet when at the age of 17 he was an amateur with neighbours Bury but ambitious Roger wanted a full time contract and the management were haggling so he left and went to play for his local team in the mid-Cheshire league.

At 19 he went into the Army and began playing for Devizes where he was spotted by Liverpool and Swindon Town. He said, "Liverpool were in the 2nd Division then, Swindon in the third and Swindon offered more money but I chose Liverpool because it was nearer my home in Culcheth."

Ironically Bolton was always his team. Roger continued, "I considered myself a regular supporter in the 50's when Nat Lofthouse was playing."

Roger Hunt saw himself as the old fashioned type inside forward and he was a prolific goalscorer.

He was at Liverpool when the legendary Bill Shankly arrived on the scene and saw the beginning of the Anfield transformation. Roger said, "I owe a lot to Bill Shankly, he was an influence on my career and on the whole Club. His enthusiasm and honesty was second to none."

He recalled an incident when Liverpool had lost a couple of games they were expected to win and unlike most Clubs where it would be all change to the training routine—not with Shanks. Roger recalled, "He called me and Tommy Lawrence in and told us we were playing too much golf and it was slowing us down. Then he rang the Golf Club and was inadvertently put through to the Bar Steward instead of the pro and gave him a right blasting. That's the sort of thing he would do." But Roger admits that everything he preached was true and down to simplicity. After 11 happy years at Anfield Shanks decided to break up the team—and they were second placed in the First Division! Roger Hunt moved to Bolton. He said, "I didn't want to leave and it was a big wrench but having long admired Bolton and knowing they are a great Club, I left."

Roger's 2½ year spell at Burnden was dissappointing. "There were a lot of changes" he confessed, "and we had four managers in one season, but I think Jimmy Armfield did a good job there."

He eventually retired in 1971.

FLASH BACK

5 YEARS AGO. 1st January, 1983.

Bolton opened the New Year in fine style by defeating Blackburn 1-0 at Burnden, a result which lifted them out of the bottom three of the second division. Transfer listed Tony Henry scored the all important winner in the 52nd minute with a twenty yard curling shot into the roof of the net.

3rd January, 1983. Bolton twice led against Newcastle at St. James' Park before having to settle for a 2-2 draw. It was a dramatic and controversial game with Wayne Foster giving Bolton the lead after ten minutes. In the 31st minute United were reduced to ten men when Terry McDermott was sent off for dissent. Time was up when United eventually equalised Mick Martin forcing the ball home from close in. Incredibly Bolton went to the other end and regained the lead through Chris Thompson but with three minutes of injury time played Chris Waddle made it all square at 2-2.

10 YEARS AGO. 31st December, 1977.

Bolton made it just one point from five London visits as they went down 1-0 to Millwall at the Den. Ian Pearson scored their winner in the 29th minute to record their first win in 18 matches.

2nd January, 1978. The Wanderers lost the leadership of the second division when bottom club Burnley won 2-1 at Burnden. Ian Brennan, later to play for the Wanderers, did the damage with both Burnley's goals. The first came in the 12th minute, a low left foot shot from 15 yards, the second came from a 20 yards free kick seven minutes into the second half. The last twenty minutes produced a siege on Burnley's goal with the only reward being a goal from Neil Whatmore right on time.

15 YEARS AGO. 30th December, 1972.

Promotion rivals Bolton and Notts County fought out an exciting 2-2 draw at Burnden Park. John Byrom and Stuart Lee gave Bolton the lead before County hit back with goals from Robin Stubbs and Les Bradd.

RESERVES NEWS

BOLTON WANDERERS RES . . . 3 YORK CITY RES . . . 2

16th December, 1987

The reserves made it three straight wins with a confident performance against York at Burnden. The scoreline flattered the visitors who hit back late in the game with two goals coming in as many minutes. Nicky Brookman opened the scoring, with his fifth Central League goal of the season, in the 23rd minute. He collected a long through ball from Nicky Spooner wide on the right before cutting in to send a left foot shot low into the net from the edge of the area.

Despite plenty of possession it wasn't until the 72nd minute that the Wanderers increased their lead. York 'keeper Andy Precious was penalised for an infringement on the edge of the penalty area and up stepped Paul Hughes to blast the ball into the roof of the net for his first goal of the season. Garry Brown's low shot appeared to take a deflection on its way into the net for Bolton's third goal with seven minutes remaining and the points appeared to be in the

bag.

York struck back in the 86th minute through Ian Dunn and 90 seconds later he again found the net although he appeared to be in offside position when he received the ball.

The Wanderers held firm for the dying minutes as York attempted to win a point that, had they done so, would have been a travesty of justice on the home side.

Young left back Chris O'Brien again gave a good account of himself, having made steady progress throughout this season, whilst on the right flank Paul Hughes appears to have regained full fitness and could be challenging for a first team spot in the not too distant future.

Team: Udal, Hughes, O'Brien, Banks, Spooner, Neal, Brookman, Callaghan, Morgan, McKearney, Booth. Subs. Brown for McKearney, Still for Banks.

HAPPY NEW
YEAR!

Good afternoon and welcome to Burnden for this New Year's Day clash with the Boro. The lads will be looking for revenge after the heavy defeat we suffered back in August.

It's good to see Seamus McDonagh back in the football League after his spell in America. The popular Eire International returns to the club where he made his name over a decade ago. Seamus as he is known by now was outstanding in the promotion team of the late seventies and later played for both Everton and Notts Co. in the First Division.

Back to this year and when you come to think of it we're only 12 years away from the year 2,000 and the days of space-age football, when a football League Eleven could be playing a Mars Eleven on a home and away basis of course. No away supporters will be allowed, although the away leg in Mars will be transmitted live. Ted Croker will still be General Secretary of the Football League although by now Robert Maxwell will probably have bought Mars.

Quite a few of the playing staff and coaches have made New Year Resolutions, here are just a few of them: Mick Brown, to keep well away from the lawn mower; Dave Felgate to get to know Mike England better so he can regain his place in the Welsh squad; Nicky Brookman to find himself a decent hairdresser and also to buy himself a shoe-bag for away matches! Dean Crombie and Derek Scott to get on the score-sheet and Dave Sutton to force himself into Bobby Robson's England squad; J.T. to get over 40 goals this season and finally Gordon Sharrocks to be voted football writers Journalist of the Year.

PROGRAMMES

This season's Bolton matchday programmes could be of great collectable value. Hopefully because it will be our one and only season spent at this level. Generally providing value for money most programmes involving Bolton have reverted back to pocket size and the general editing has fallen back into the hands of the true supporter, usually leading to more interesting reading material. Many of our away games have produced sell-outs on the programme front.

Colchester's programme (also a sell-out) is 38 pages thick and contains a good write-up on us and is good value at 60p. Many interesting local soccer news about the 'U' 's is included, the match ball being sponsored by Trotters Revival.

Newport's programme is smaller in size at 16 pages. A bright programme full of club news and few adverts. At 50p a good readable item.

Burnley's Claret and blue colour scheme is all that stands out in this programme. 24 pages with an abundance of adverts. Generally too commercialised at 60p.

Stockport, 24 pages in a blue and white style with good quality photography being the highlight of a heavily over advertised programme with few articles for the fans to read. Bolton receive a large write up though and at 50p is of marginally good value for money.

Leyton Orient provides a 24 page edition in familiar light and dark red colours. A good quality production. Some of the articles are a little predictable but a good cover picture adds to the overall interest. Exeter were the opponents.

Rochdale. The programme is very basic, with an unimaginative front cover of Tommy Cannon who later resigned his chairmanship. 22 pages mainly of club articles with a fair sprinkling of adverts. Peterborough provide the opposition.

Hereford. The cover stands out well with a colour action shot from 'Edgar Street' the home of 'United'. 20 pages at 50p is good value with plenty of club news and small photographs, for the visit of Rochdale.

Wrexham. A fine edition in distinctive Welsh red for Bolton's successful FA Cup visit. It is priced at 60p for 32 pages. A good aftermatch read is certain with 'Mike Carter' providing the Star Profile. Probably the Best 4th Division programme for quality and value for money.

To purchase a full set of home and away programmes in the league involving Bolton this season will set you back about £26, but many games are in short supply. Only the Freight Rover match at Stockport, the FA Cup game at Wrexham, the Littlewood's Cup match at Wigan, plus the league games at Newport and Burnley are left in the club shop of our 4th Division travels. Most home games are still available.

NOTEBOOK

REFLECTIONS

Scarborough make their first ever visit to Burnden Park today and could include in their line up former Bolton keeper Jim McDonagh who has joined the Yorkshire club after a stint in North America. The two previous games between the clubs have taken place during 1987, both at The Athletic Ground, with a vast difference in results.

Last February Bolton visited the then leaders of the GM Vauxhal Conference and came away with a resounding 3-0 win. All three goals came from players no longer with the club. On a cold Friday evening it was Paul Atkinson who opened the scoring with a volley for his only goal whilst on his loan period with the Wanderers. Jimmy Phillips fired home the second with a twenty yard shot three minutes into the second half and Paul Griffin grabbed the third ten minutes from time with a header.

Scarborough at the time were in the middle of setting up a League record of 22 games without defeat including 13 consecutive away victories.

On August 29th, 1987 the clubs met on an equal footing in the fourth division of the Football League. The game went into the record books as Scarborough's first League win and it was done by a margin of 4-0. The first goal came when Dave Sutton headed into his own net in attempting to clear and the second came before half time from Stewart Mell. Stewart Hamill and Steve Richards scored the other goals in what was the Wanderers first fourth division game away from Burnden.

NEW BOYS

Bolton haven't fared too badly against visits from the League's new boys since the inception of the fourth division in 1958-59. Since then seven clubs have been introduced with Scarborough being the most recent. Of the other six only Wigan Athletic have won at Burnden on their first visit. That was by a 1-0 margin in 1983-84 and only Oxford United of the other clubs have avoided defeat with a 1-1 draw in 1968-69.

The other four new boys were all defeated on their first visit, Hereford United by 3-1 in 1976-77, Wimbledon by 2-0 in 1983-84, Cambridge by 6-1 in 1980-81 and finally Peterborough by 2-0 earlier this season.

Away from Burnden the Wanderers were defeated on their first visits to both Wimbledon and Scarborough by 4-0. A point was won at both Oxford and Hereford with victories at both Wigan and Cambridge. Bolton make their first visit to Peterborough later this month.

BARCLAYS LEAGUE

BARCLAYS LEAGUE Young Eagle Award

BARCLAYS INVITE STUDENTS TO
DESIGN LEAGUE CHAMPIONSHIP TROPHY

Students of 18 and under are to be given the opportunity to design the Barclay League Championship trophy by the sponsors—the winner to win a prize for himself or herself and his or her school plus the chance to appear on Television's top football programme, ITV's *The Saint & Greavsie Show*. There will be three age categories: 16-18, 12-15 and Under-12's, with a winner in each category as well as an overall winner.

Entry forms which can be obtained from Monday, November 9th, at any of the 2,830 Barclays branches in the UK give entrants the following guidelines: "Your trophy design should reflect the famous traditions of The Football League and should be "classic" in feel. At the same time you should try to be original and imaginative, and ensure that the trophy looks different from the other major football trophies.

The design should also feature an eagle, the symbol of Barclays Bank. But the way you represent the eagle is up to you."

PRIZES

The overall winner will receive a portable video camera and VHS video recorder; plus a visit to a top Barclays League match, the chance to see the trophy being made and to appear on *The Saint & Greavsie Show*. The winner's school's prize will be £2,000 worth of sports or computer equipment; and the age category winners will receive £500 of sports or computer equipment. Entrants age qualification is aged 18 or under on 31st January, 1988, the closing date for entries.
